

PERSONAL INFORMATION	ȚINCU IULIA FLORENTINA
EDUCATION	
June 2014-September 2015	fellowship Pluri and inter disciplinary in doctoral and post-doctoral programmes Romanian Academy as a part of programme co-founded by the European Union with the Operational Sectorial Programme for Human Resources Development Institute for Quality of Life <ul style="list-style-type: none"> ▪ doctoral research programme
July 5-10, 2015	ESPGHAN Nutrition Summer School, Cambridge, United Kingdom <ul style="list-style-type: none"> ▪ training course
June 15-21, 2014	Salzburg CHOP Seminar in Pediatric Emergency Medicine, Salzburg, Austria <ul style="list-style-type: none"> ▪ training course
September 19-22, 2013	Educational congress and Master course European Academy of Pediatrics, Lyon, France <ul style="list-style-type: none"> ▪ training course
October 2012 – October 2016	PhD student - Insulin like growth factor -1 axis and early nutrition “Carol Davila” University of Medicine and Pharmacy, Bucharest, Romania <ul style="list-style-type: none"> ▪ doctoral student
2001-2007	MD diploma Bucharest, Romania
1997-2001	“Udriste Nasturel” High school, Hotarele, Giurgiu, Romania <ul style="list-style-type: none"> ▪ Mathematics and physics profile
ADDITIONAL INFORMATION	SCIENTIFIC ACTIVITY
Al XVII-lea Simpozion National de Nutritie Clinica - cu participare internationala, 4-6 Noiembrie 2016, Poiana Brasov, Romania	-Early nutrition strategies for pediatric obesity prevention. Iulia Florentina Tincu, Cristina Becheanu, Dumitru Oraseanu
Congresul National de	-Influența aportului de proteine din alimentația complementară

Gastroenterologie si Hepatologie Pediatria 2016, 14-17 Septembrie 2016, Cluj-Napoca, Romania	asupra creșterii Țincu Iulia, Sobek Virginia, Becheanu Cristina
38th ESPEN Congress 2016, September 16-20, Copenhagen, Denmark	-How early nutrition modify gain weight in the first 2 years of life Iulia Tincu, Cristina Becheanu, Daniela Pacurar, Cristian Cobilinschi, Radu Tincu, Dumitru Oraseanu
The 49th Annual Congress of ESPGHAN 25-28 May 2016, Athens, Greece	-Is the actual trend of eating habits among 5-12 years old children going in the right direction? Cristina Becheanu, Andreia Florina Nita, Mircea Purcaru, Iulia Tincu
3rd International Conference on Nutrition and Growth, March 17-19, 2016, Viena, Austria	Assesing expenditures on infants diet as a determinant of growth rates. Iulia Florentina Țincu, Irina Dijmarescu, Alexandra Moraru, Cristina Becheanu, Dumitru Oraseanu
12 th Pediatrics National Congress September 2-5, 2015, Timisoara, Romania	-Complementary feeding and microbiota C Becheanu, G Lesanu, I Țincu
7th Europaediatrics Congress 13-16 May 2015, Florence, Italy	-Primary Care or Emergency Department in Case of Pediatric Acute Disease? The Experience of a Tertiary Emergency Hospital for Children in Bucharest -An unexpected finding in a Romanian child with prolonged fever D. Pacurar, I.F. Tincu, R.M. Vlad, A. Moraru, D. Oraseanu
48th Annual Meeting of ESPGHAN May 6-9, 2015, Amsterdam, Netherlands	-High protein intake during complementary feeding results in rapid growth around 1 year of age Iulia Tincu, Roxana Smadeanu, Ioana Nenciu, Cristina Becheanu, Dumitru Oraseanu
National Congress of Paediatric Gastroenterology, Hepatology and Nutrition, Nov 20-22, 2014, Sibiu, Romania	-Gastrostomy indication in a pediatric emergency hospital Ioana Nenciu, Adina Lazar, Andreia Nita, Laura Topor, Ana Maria Bradeanu, Iulia Tincu, Cristina Becheanu -Colonic polyps in children – the experience of “Grigore Alexandrescu” Emergency Children Hospital between 2005-2013 Viorel Danila, Laura Vasile, Iulia Florentina Tincu, Cristina Adriana Becheanu, Gabriela Lesanu
15 th National symposium of Clinical Nutrition Nov 14-16, 2014, Poiana Brasov, Romania	-Nutritional strategies in celiac disease prevention Gabriela Leșanu, Iulia Țincu, Cristiana Becheanu, Raluca Vlad, Irina Dijmărescu, Roxana Smădeanu, Mirela Stocklosa, Alexandru Ulmeanu, Alexandra Moraru

<p>5th Congress of the European Academic Paediatric Societies, October 17-21, 2014, Barcelona, Spain</p>	<p>-Parents' complementary feeding related information sources-an observational study I. Tincu, A. Moraru, R. Smadeanu, I. Nenciu, G. Lesanu, C. Becheanu</p>
<p>3rd International Symposium on paediatric inflammatory bowel disease Sept 10-13, 2014, Rotterdam, the Netherlands</p>	<p>-Inflammatory Bowel Disease in Romanian Children The Experience of a Single Center Gabriela Lesanu, Cristina Becheanu, Raluca Maria Vlad, Iulia Florentina Tincu, Ana Maria Teca</p>
<p>47th Annual Meeting of ESPGHAN June 9-12, 2014, Jerusalem, Israel</p>	<p>-Chronic nonspecific diarrhea of childhood: does oligofructose and inuline combination really work? Cristina Becheanu ,Iulia Tincu ,Roxana Smadeanu, Ana Maria Bradeanu ,Gabriela Lesanu</p>
<p>32nd Annual Meeting of the European Society for Paediatric Infectious Diseases May 6-10, 2014, Dublin, Ireland</p>	<p>Helicobacter pylori infection – the experience in a tertiary centre in 2012 Invasive pulmonary and cerebral infection with Aspergillus fumigatus – case report</p>
<p>2nd International Symposium of Probiotics and Prebiotics in Pediatrics March 7-9, 2014, Antalya, Turkey</p>	<p>Does combination of oligofructose and inuline reduce the severity of chronic nonspecific diarrhea of childhood?</p>
<p>14th National symposium of Clinical Nutrition October 11-13, 2013, Poiana Brasov, Romania</p>	<p>Complementary nutrition from theory to practice – observational study in 382 cases</p>
<p>11th Pediatrics National Congress September 2013, Targu Mures, Romania</p>	<p>Complementary feeding – from ESPGHAN guideline to practice Helicobacter pylori investigation during endoscopic procedures – our experience The importance of upper gastrointestinal endoscopies in pediatric pathology – our experience in 2012 The importance of lower gastrointestinal endoscopies in pediatric pathology – our experience in 2012 Efficacy of Bifido Baby in chronic nonspecific diarrhea – prospective study</p>
<p>4th World Congress of Pediatric Gastroenterology, Hepatology and Nutrition</p>	<p>Epidemiology of inflammatory bowel disease in children from South Romania – a comparative study 2000/2012 HLA DQ2/DQ8 typing in children diagnosed with celiac disease</p>

November 14-18, 2012, Taipei	
The 4 th Congress of European Academy of Paediatrics Society October 5-9, 2012, Istanbul, Turkey	Burden of Rotavirus gastroenteritis amongst hospitalized children in Romania Epidemiology of inflammatory bowel disease in children from South Romania – a comparative study 2000/2012 Acute respiratory failure in children – a 3 years epidemiological study HLA DQ2/DQ8 typing in children diagnosed with celiac disease
4 th National Symposium on inflammatory bowel disease, September 21-22, 2012, Sibiu, Romania	Role of fecal calprotectin as a biomarker of intestinal inflammation in children with chronic diarrhea
Global Congress for Consensus in Pediatrics and Child Health May 17-20, 2012, Moscow, Russia	Dyslipidemic Obese Children – Adult with Cardiovascular Disease
8 th National Congress of Social Paediatrics May 2-5, 2012, Gura Humorului, Romania	Nutritional assessment of hospitalized children aged 2-18 years and identification of obesity factors
5 th National Conference of Paediatric Pulmonology April 5-7, 2012, Craiova, Romania	Acute respiratory failure in children – 3 years epidemiological study
International Conference on Nutrition and Growth March 1-3, 2012 Paris, France	Changes in children nutrition status, comparative study Hospitalized aged 0-2 years children nutritional status Child obesity, actual trend in Romanian population Nutrition status in pediatric inflammatory bowel disease – still a problem
Excellence in Pediatrics Nov 30 – Dec 3, 2011, Istanbul, Turkey	Metabolic changes in pediatric overweight/obese children
Pediatrics National Congress Sep 28 – Oct 1, 2011, Bucharest,	Nutritional status of patients admitted in SCUC “Grigore Alexandrescu” comparative study 2006-2011

Romania	Incidence and severity of Rotavirus enteritis Metabolic anomalies in overweight/obese pediatric patients – observational study
INBI “Prof dr Matei Bals” Scientific Days November 2011, Bucharest, Romania	The surveillance of a preterm born from HIV terminal stage mother
Medical forum September, 2011, Bucharest, Romania	Incidence and severity of Rotavirus gastroenteritis –a continuous problem in medical practice
Nestle Study Days June, 2011, Bucharest, Romania	Children obesity Incidence and severity of Rotavirus enteritis – a continuous provocation in pediatric practice
Medical forum September, 2011, Bucharest, Romania	Precocious diagnosis in ASD
Leiden International Medical Student Conference, March, 2007, Leiden Netherlands	Medical history and risk of pulmonary cancer in tuberculosis patients
