## Informații personale

Nume / Prenume **Pădure, Liliana**

## Experiența profesională

Perioada	<b>Din 2012 – pana in prezent</b>		<b>2008-2012</b>			
Funcția sau postul ocupat	Conferențiar Universitar		Conferențiar Universitar			
Numele și adresa angajatorului	Universitatea de Medicina si Farmacie „Carol Davila, Facultatea de Moașe și Asistență medicală Str. Dionisie Lupu, Nr. 37, București”		Universitatea de Medicina si Farmacie „Carol Davila, Facultatea de Medicină, Str. Dionisie Lupu, Nr. 37, Bucuresti			
Tipul activității sau sectorul de activitate	Invățământ universitar		Invățământ universitar			
Perioada	<b>Din 2007 – pana in prezent</b>	<b>1995-2007</b>	<b>1986-1995-</b>	<b>1983-1986</b>	<b>1980-1983</b>	<b>1974 -1980</b>
Funcția sau postul ocupat	Manager, Medic primar	Medic șef de secție, medic primar RMFB	Medic sef laborator de balneofizioterapie, medic specialist RMFB	Medic secundar	Medic stagiar	Student.
Numele și adresa angajatorului	Centrul National Clinic de Recuperare Neuropsihomotorie Copii „Dr. Nicolae Robanescu”	Spitalul de copii MS Curie, București, Sectie recuperare neuromotorie	Spitalul Judetean de Pediatrie Arges Pitești, jud Arges	Spitalul Judetean de Pediatrie Arges,Pitești, jud Arges	Spitalul Judetean de Pediatrie Arges, Pitești, jud. Arges	Universitatea de Medicina si Farmacie „Carol Davila, Str. Dionisie Lupu, Nr. 37, Bucuresti
Tipul activității sau sectorul de activitate	Medicină	Medicină	Medicină	Medicină	Medicină	Cursuri teoretice si practice medicina,locență

**Educație și formare**

Perioada	2007-2009	2001-2003	2000 - 2002	1991
Calificarea / diploma obținută	Curs de management spitalicesc	Competență în management în serviciile de sănătate	Doctorat	Medic primar
Numele și tipul instituției de învățământ / furnizorului de formare	Universitatea de Medicina si Farmacie „Carol Davila” – Facultatea de Pediatrie	Universitatea de Medicina si Farmacie „Carol Davila” – Facultatea de Pediatrie	Universitatea de Medicina si Farmacie „Carol Davila” – Facultatea de Pediatrie	Universitatea de Medicina si Farmacie „Carol Davila”, Facultatea de Pediatrie
Perioada	1990-1991		1980-1983	1974 -1980
Calificarea / diploma obținută	Competență în neurofiziologie		Medic secundar	Diploma de licență
Numele și tipul instituției de învățământ / furnizorului de formare	Universitatea de Medicina si Farmacie „Carol Davila”		Universitatea de Medicina si Farmacie „Carol Davila”	Universitatea de Medicina si Farmacie „Carol Davila”, Facultatea de Pediatrie

**Aptitudini și competențe personale****Experiența în învățământul superior****Experiența academică și științifică**

Din 2012	Conferențiar	Universitatea de Medicina si Farmacie “Carol Davila” Bucuresti	Moase si Asistenta Medicala
2008 – 2012	Conferențiar	Universitatea de Medicina si Farmacie “Carol Davila” Bucuresti	Medicina

**Experiența de cercetare științifică**

Perioada	Titlul proiectului	Calitatea în echipa de proiect
2014	Depistarea tulburărilor paroxistice de somn la copiii cu deficiența neuropsihomotorie prin renovarea, reabilitarea și dotarea camerei de EEG	Coord. proiect
2006 – 2011	The individualized management of the mobility rehabilitation at patients with neurological and ortopedical pathology – acronym MANMOBRE	Director

**Numeroase participări cu lucrări la conferințe și congrese naționale/ internaționale**

Al 41-lea congres internațional ISMH, București 2016

1. Liliana Padure, A.I. Grigoriu, A. Oprea, M. Bejan (Romania) Multifactorial gait analysis in the physical and rehabilitation medicine of the gait disorders in children
2. Andrada Mirea, Gelu Onose, Liliana Padure (Romania) - Comparative results with different physical and rehabilitation medicine kind of endeavors applied in spastic children with cerebral palsy
3. Adriana Zaharia, Gelu Onose, Liliana Padure, Camelia Ciobotaru, S. Popescu, G. Viscopoleanu, C. Stoica (Romania) - Benchmarking validity analysis of rasterstereography in idiopathic scoliosis
4. Florin Dragan, Gelu Onose, Liliana Padure (Romania) - Plantar support a new assessing way in scoliotic patients without podal primary pathology
5. Mihail-Alexandru Dumangiu, Liliana Padure (Romania) - Alternative of education for balance and gait in children with cerebral palsy
6. Liliana Padure, A. Oprea, A. I. Grigoriu (Romania) - Guided injection of botulinum toxin type a in cerebral palsy(our experience)
7. Liliana Padure, A. Oprea, A. I. Grigoriu (Romania) - The treatment of spastic hip in children with cerebral palsy

Alte participări:

8. Posibilitati de evaluare clinica si recuperare functionala in CMT Conf Dr Pădure Liliana, Dr Axente Mihaela, Dr Anca Grigoriu CNCRNC "Dr Nicolae Robănescu Viena, 2015
9. Recovering sequelae after TTCC the in children at National Children Neurorehabilitation Center "Dr. Nicholas Robănescu Vucharest";: Liliana Pădure; Mihaela Axente, Andrada Mirea Congres EMN 2015, Zagreb, Croatia
10. Podal support evaluation in children with scoliosis- study phase results (1 year) - Liliana. Pădure\*, Florin. Drăgan\*, Congres EMN 2015
- The influence of parenting style in the evolution of child with cerebral palsy (CP) L. Padure , V.Morcov, 4<sup>th</sup> International Conference of Cerebral Palsy, Pisa, 2012
11. „Our experience regarding cerebrolysin therapy in children with neuro-psychomotor retardation” – Daia-Chendranu C., Mirea A., Padure L., et al. - published in the Journal of Medicine and Life, Vol. IV, Special Issue, First Edition:10-20, 2011
12. “Recovery treatment in peripheral neuropathy” Liliana Padure, presented at 12th Congres SNPCAR, Poiana Brasov, 2011
13. “ Recovery treatment in AIJ ”Liliana Padure, Hariclea Padure, Andrada Mirea, presented at 1st Conference of pediatric reumatology, Bucharest, 2011
14. . Early attitude in the post brain injury sequels management , Liliana Padure, presented at 3rd National Conference of ARTOP, Bucharest , 2010
15. .Early intervention in rehabilitation of sequela post brain injury, Liliana Padure, Veronica Morcov, Carmen Calinescu, F. Dragan, presented at 9th Congres SNPCAR, a 33-a National Congress of Neurology- Psychiatry for children- adolescents and associated professions, Tg. Mures, 2010
16. .Oportunity of surgical interventiob in reducing spasticity in children with CP, Liliana Padure, presented at 9<sup>th</sup> Congres SNPCAR, A 33-a National Congress of Neurology- Psychiatry for children- adolescents and associated professions, Tg. Mures, 2010
17. Therapeutical and clinical aspects in the rehabilitation of sequels post cerebral malformations and spinal disrafia, Padure Liliana, Axente Mihaela, presented at National Congress of Neurology- Psychiatry for children and adolescents , Sibiu, 2010
18. ”Our experience concerning the use of extracorporeal shockwave therapy for the spasticity management, in children with Cerebral Palsy - preliminary (enhanced) results”- Onose G., Padure L., Daia C., Mirea A. - poster at the 6th World Congress for NeuroRehabilitation, Vienna, Austria, March, 2010 and published in the Proceedings of the 6th World Congress for NeuroRehabilitation, pp:133-139, Ed.Medimond/Editografica, Bologna, Italia (ISBN: 978-88- 7587-557-2) - ISI Thomson in List of Conferences 2004-2008 on [http://thomsonreuters.com/products\\_services/scientific/Conf\\_Proceedings\\_Citation\\_Index](http://thomsonreuters.com/products_services/scientific/Conf_Proceedings_Citation_Index) and Communication at the “8th Mediterranean PRM Congress”, Limassol, Cipru, 2010
19. „Intimate intrinsic propensity/ pathological processes limiting self-recovery and subtle related targets for neuroprotection/ rehabilitation in SCI – Onose G., Angheliescu A., Muresanu D., Padure L., Haras M., Mirea A. et al -invited communication at the 7th AMN Congress and 16th Annual Scientific Meeting of HKNS Neurotraumatology:head Injury and Spinal Cord Injury, Hong Kong, Nov., 2009
20. .”A review of published reports on neuroprotection in spinal cord injury” - Onose G., Angheliescu A., Muresanu D.,Padure L., Haras M., Chendreanu C., Onose L., Mirea A., et al. – published in ”Spinal Cord” journal – Nature Publishing Group; (global) Impact factor: 31.434 (advance online publication), 14 July 2009; doi: 10.1038/sc.2009.52 and respectively - Spinal Cord, 47 (10):716-726, 2009, ISI Thomson Reuters indexed
21. .„Extracorporeal shockwave therapy (ESWT) for the spasticity management in children with cerebral palsy -preliminary results” – Padure L., Onose G., Daia C., Mirea A. et al. - communication at 48th ISCoS annual scientific meeting, 21th -24th October, Firentze, Italy, 2009, communication at the 32nd National Congress for PRM, Poiana Brasov, oct., 2009
22. Complex treatment of children cifoscoliosis induced by neurological causes,M. Dumangiu, L. Padure, A. Biclineru, A. Mirea, M. Axente, C.F. Ion, F. Dragan,D. Necula, presented at 2nd
23. Neurorehabilitation and Neurosurgery Conference, Mamaia, 2009
24. .Kinetotherapy and Psycho-motricity Possibilities in post Traumatic Brain Injuries (TBI) Children Treatment , L.Padure si colab. , presented at 2nd Neurorehabilitation and Neurosurgery Conference, Mamaia, 2009
25. Motric processes particularities in artistic expression of post traumatic brain injury children, L. Padure si colab.,presented at 2nd Neurorehabilitation and Neurosurgery Conference, Mamaia, 2009
26. Key points in speech recovery after traumatic brain injury (tbi) in children C. Calinescu, V. Morcov, L. Padure, A. Mirea, M. Axente, C. Dragan,L. Preduca, L. Iancu,

presented at 2nd Neurorehabilitation and Neurosurgery Conference, Mamaia, 2009

27. The importance of psychological counseling for neuro-psycho-motor disabled children' parents, L. Padure si colab., presented at 2nd Neurorehabilitation and Neurosurgery Conference, Mamaia, 2009

28. Walking education for children with cerebral palsy, M. Dumangiu, L. Padure, G. Marinescu, A. Mirea, M. Axente, A. Biclineru, D. Necula, F. Dragan, C.F. Ion, G. Tudoran, presented at 2nd Neurorehabilitation and Neurosurgery Conference, Mamaia, 2009

29. . The harmonization of therapeutic procedures for spasticity decreasing in child C.F. Ion, L. Padure, M. Ion , A. Mirea, M. Axente, M. Dumangiu, A. Biclineru, F. Dragan, D. Necula, G. Tudoran, presented at 2nd Neurorehabilitation and Neurosurgery Conference, Mamaia, 2009

30. Particularities of kinetic treatment in child Cerebral palsy rehabilitation ,D. Necula, G. Tudoran, L. Padure, A. Mirea, M. Axente, C.F. Ion, M. Dumangiu, A. Biclineru, F. Dragan, presented at 2nd Neurorehabilitation and Neurosurgery Conference, Mamaia, 2009

31. Our team results in the conservative treatment of obstetrical brachialis plexus palsy, M. Axente, L. Padure, A.Mirea, G. Tudoran, C.F. Ion, F. Dragan, D. Necula, A. Biclineru, M. Dumangiu, presented at 2nd Neurorehabilitation and Neurosurgery Conference, Mamaia, 2009

32. Cranial nerves damage secondary to traumatic, tumoral and vascular pathology meet in our recovery centre,Liliana Padure, Mihaela Axente, Andrada Mirea, Veronica Morcov, presented at 9th Congres SNPCAR, A 32-a National Congress of Neurology-Psychiatry for children- adolescents and associated professions, Timisoara, 2009

33. Our experience on interferential medium frequency electrostimulation in the treatment of post SCI neurogenic bladder” – Chendreanu C., Onose G., Popescu C., Spircu T., Angheliescu A., Onose L., Padure L., Blendea D., Mirea A., et al - poster (P-0538, p.:375 - in the ISPRM Congress' Abstract Book) at the 5th World Congress of the ISPRM,Istanbul, Turkey, June, 2009

34. Neuroprotective and consequent neurorehabilitative outcomes in elderly with severe brain conditions, treated with neurotrophic drugs Actovegin and/or Cerebrolysin - preliminary results”) - Onose G., Popescu C., Spircu T.,Chendreanu C., Angheliescu A., Mihaescu A., Mardare D., Colibaseanu I., Onose L., Padure L., Haras M., Blendea D., Mirea A. - poster (P-0538, p.:375 - in the ISPRM Congress' Abstract Book) at the 5th World Congress of the ISPRM,Istanbul, Turkey, June, 2009, communication at the 19th International Association of Gerontology & Geriatrics (IAGG) World Congress of Gerontology and Geriatrics, Paris, France, July, 2009

35. Cellular / molecular processes & objectives for neuro-protection in the recovery after spinal cord injury” – Onose G., Angheliescu A., Muresan D., Padure L., Haras M., Chendreanu C., Onose L., Mirea A. et al. - communicated at The 5th World Congress for NeuroRehabilitation, Brasilia, Brazil, Sept., 2008

36. “Complex Mathematical Statistic Analysis Regarding Neuroprotective and Consequent Neurorehabilitative Outcomes, in Patients Treated with the Modern Neurotrophic Drug Cerebrolysin - Preliminary Results” – Onose G.,Ciurea A.V., Angheliescu A., Muresanu D., Adelina Bojan, Popescu C., Anca-Sandala Mihaescu, Mardare D., Dumitrescu A., Ungur B., Marinescu FL., Colibaseanu I., Liliana Onose, Liliana Padure et al - communication at the the 6-th AMN Congress, Cluj-Napoca, april, 2008

37. “Present and future in neuro-mio-artro-kinetic rehabilitation of traumatized hand” – Padure L., et al - the 10<sup>th</sup> International Congress of the Romanian Plastic Surgeons), Bucharest, Romania, 2008, abstract published in Annals of Plastic Surgery and Reconstructive Microsurgery, 3:115-118/ 2008 (ISSN: 1453-6587)

38. Extracorporeal shockwave therapy (ESWT) for the spasticity management in children with cerebral palsy –preliminary result's”: G. ONOSE, L. PADURE, C. CHENDREANU, A. MIREA, M. BEJAN, C. F. ION

39. “Recent advancements in biomaterials and medical devices, aiming to improve consistently the outcomes of therapeutic approaches within spine/cord injury”: G. ONOSEa\*, A. V.CIUREAb, R. E. RIZEAb, C. CHENDREANUa, A.ANGHELESCUa, M. HARASa, F. BREHARb, L. PADUREc, 2008.

40. « The botulinium toxin for cerebral palsy therapy in children »: L. Padure, H. Padure presented at the National Conference of Neurosurgery and Neurorehabilitation with international participation –Ocna Sibiului, June 7-10, 2007 and published in the summary volume

41. « Artrogriposis: L.Padure, article given to publication to the editorial staff of the NEONATOLOGY Journal, in the first term of 2008

42. “ The Obstetrical Paralysis of the brachial plexus ”: L.Padure, published article in volume I- numbers 24 and 25 of the NEONATOLOGY Journal from October 2003

43. " Rehabilitation with international participation from Bucharest, September 14-17, 2007 and published in the summary volume;Plantar support in ortostatism and balance in P.C.": L.Padure, M. Dumangiu, A.Mirea, presented work at the 30- th Yearly National Congress of Physical Medicine

44. "Possibilities of rehabilitation in the damage after cranio-cerebral traumas ": L.Padure, A.Mirea presented at the 30- th Yearly National Congress of Physical Medicine and Rehabilitation with international participation from Bucharest,September 14-17, 2007 and published in the summary volume;

45. "Dysport-stage treatment of spasticity at a child": L.Padure, A.Mirea (presented by L.Padure) at the 30-th Yearly National Congress of Physical Medicine and Rehabilitation with international participation from Bucharest, September 14-17, 2007 and published in the summary volume;

46. " Vojta Method- another modality for precocious P.C. finding and treating": L.Padure, O.Dinu, R. Tudor, A.Mirea,presented at the 30- th Yearly National Congress of Physical Medicine and Rehabilitation with international participation from Bucharest, September 14-17, 2007 and published in the summary volume

47. " Cerebral Paralysis after tubercular meningoencephalitis": L.Padure, A.Padure, H.Padure (presented by L.Padure) at the 29- th National Congress of Physical Medicine and Rehabilitation from Poiana Brasov, in November 1-4 , 2006 and published in the Journal of the Romanian Society of Physical Medicine and Rehabilitation

48. " Therapeutic aspects in JUVENILE REUMATOIDAL POLIARTHRITIS (Arthritis) ": L.Padure, M.Stefan, H.Padure (presented by L.Padure) at the V-th National Congress of Physical Medicine and Rehabilitation with international participation from Bucharest, October 13- 16, 2004 and published in the Journal of the Romanian Society of Physical Medicine and Rehabilitation

49. " Considerations of organisational and therapeutic management of cerebral paralyzes": L.Padure, H.Padure, A.Padure (presented by L. Padure) at the V-th National Congress of Physical Medicine and Rehabilitation with international participation from Bucharest, October 13-16, 2004 and published in the Journal of the Romanian Society of Physical Medicine and Rehabilitation

50. The Rehabilitation of some cerebral paralyzes after tubercular meningoencephalitis": L.padure, A.Padure, H.Padure (presented by L.Padure) at the V-th Congress of Physical Medicine and Rehabilitation with international participation from the 13-16th of October, 2004 , in Bucharest and published in the Journal of the Romanian Society of Physical Medicine and Rehabilitation

51. "Actualities in the treatment of spasticity associated with cerebral paralysis": L.Padure, presented at the 7-th National Congress of Paediatrics- from September 28 th-October 1 st, 2005, Galati and published in the summary volume

52. " The Botulinic Toxin in the cerebellum syndrome ": L.Padure, presented work at the 25-th National Conference with international participation of Paediatric Neurology of the Society of Neurology and Psychiatry of the child and adolescent from Romania, Sibiu-June 2002 and published in the Journal of the Society of Neurology and Psychiatry of the Child and Adolescent from Romania

53. " Etiological and therapeutic approach of cerebellum pathology in the rehabilitation section": L.Padure, presented work at the 25-th National Conference with international participation of Paediatric Neurology of the Society of Neurology and Psychiatry of the child and adolescent from Romania, Sibiu- June 2002 and published in the Journal of the Society of Neurology and Psychiatry of the Child and Adolescent from Romania

54. " The Clinic and functional therapy in artrogriposis": A. Padure, H. PAdure, L.Padure, published in volume 9 No.3/2006 the Journal of the Society of Neurology and Psychiatry of the Child and Adolescent from Romania

55. Results in the P.C rehabilitation after TBC meningitis ": L.Padure, A. Padure, H.Padure at the 27-th professional meeting, at the V-th National Congress of Neurology-Psychiatry for children- adolescents and associated professions,from Herculane, September 2004 and published in the Journal of the Society of Neurology and Psychiatry of the Child and Adolescent from Romania;

56. Results in the P.C rehabilitation after TBC meningitis ": L.Padure, A. Padure, H.Padure at the 27-th professional meeting, at the V-th National Congress of Neurology-Psychiatry for children- adolescents and associated professions,from Herculane, September 2004 and published in the Journal of the Society of Neurology and Psychiatry of the Child and Adolescent from Romania;

57. " The Organisational and Therapeutic Management of cerebral paralyzes": L.Padure, H.Padure, A.Padure (presented by L. Padure) at the 27-th professional meeting, at the V-th National Congress of Neurology- Psychiatry for children- adolescents and associated professions, from Herculane, September 2004 and published in the Journal.of the Society of Neurology and Psychiatry of the Child and Adolescent from Romania

58. " The Treatment in the damage rehabilitation team after I.C.C. in the "N. Robanescu" Clinical Medical Centre of Neuro-psycho- motorial Rehabilitation for Children: L. Padure, A. Mirea, F.Ion, M.Ion, V.Morcov, M. Cainescu (presented by L. Padure) at the 2- nd National Conference of Neurology, Developmental Psychiatry and Rehabilitation, at the IX- th Symposium of Neurology, Psychiatry and Rehabilitation, from Sibiu, November 8-10, 2007 and published in the summary volume

59. The Contribution of the ortezelor of superior limb posturation in staging the rehabilitative therapy of the brachial plexus obstetrical paresis ": L.Padure, C.F. Ion, M.Ion (presented by L.Padure) at the VII-th Symposium of Neurology and Developmental Psychiatry, in Sibiu, November 3-5, 2005 and published in the summary volume

60. « The Limits and possibilities of the kinetotherapeutic treatment at children with IMC with extrapyramidal si piramido-extrapyramidal syndrome» L.Padure,O.Dinu, presented at the 21-st National Conference of Physical Medicine and Rehabilitation and published in the Journal of the Romanian Society of Physical Medicine and Rehabilitation

61. « Particularities in the scoliosis treatment and evolution » L.Padure,F.Dragan,C.Cretu (poster 2001) presented at the 21-st National Conference of Physical Medicine and Rehabilitation;

62. . "Precocious Diagnosis and multidisciplinary treatment at a child with a multiple handicap/ with multiple disabilities": L.Padure, C.Cretu, A.Cretu (sustained by L.Padure) presented at the III- rd Symposium of Developmental Neurology, in Sibiu, November 16-17, 2001, and published in the summary volume ;

63. The Dominant of the Ergotherapy in the therapeutic algorithm of a right spastic hemiparalysis": L.Padure, A.Padure,G.Petre, presented at the 21-st National Conference of Physical Medicine and Rehabilitation and published in the Journal of the Romanian Society of Physical Medicine and Rehabilitation-2001

64. The Sprengel disease associated with costal malformations": L.Padure, A.Padure, E.Panaitisor, presented at the 21-st National Conference of Physical Medicine and Rehabilitation and published in the Journal of the Romanian Society of Physical Medicine and Rehabilitation - 2001;

65. . "Modalities of rehabilitation in artrogriposis": L.Padure, A.Padure, presented at the 21-st National Conference of Physical Medicine and Rehabilitation and published in the Journal of the Romanian Society of Physical Medicine and Rehabilitation - 2001;

66. "The Damage Rehabilitation after the left humerus surgical extension. Redoare of a shoulder in adduction. Redoare of an elbow in extension": L.Padure, A.Padure, A.Biclineru, presented at the 21-st National Conference of Physical Medicine and Rehabilitation and published in the Journal of the Romanian Society of Physical Medicine and Rehabilitation – 2001

67. Stage results in the treatment of the congenital scoliosis in the Rehabilitation Section of M.S. Curie Hospital": L.Padure, M.Dumangiu, presented at the 21-st National Conference of Physical Medicine and Rehabilitation and published in the Journal of the Romanian Society of Physical Medicine and Rehabilitation-2001

68. Interest for the botulinic toxin in paediatric rehabilitation": L.Padure, A.Padure, presented at the 21-st National Conference of Physical Medicine and Rehabilitation and published in the Journal of the Romanian Society of Physical Medicine and Rehabilitation – 2001

69. " The Contribution of rehabilitation in the therapy of demyelinated disease at a child": L.Padure, A.Padure, G.Petre,pesented at the 21-st National Conference of Physical Medicine and Rehabilitation and published in the Journal of the Romanian Society of Physical Medicine and Rehabilitation - 2001

#### **Membru al asociatiilor profesionale**

- Societatea Romana de Medicina fizica si Recuperare;
- Societatea de Neurologie si psihiatrie a copilului si adolescentului din Romania;
- Societatea pentru studiul Neuroprotectiei si Neuroplasticitatii;
- Societatea Română de Neurochirurgie;
- Societatea Romana de Nutritie Enterala si Parenterala;
- Comisia de Confirmare si Clasificare a cazurilor de Paralizie acuta Flasca din cadrul Institutului de Sanatate Publica. Am primit pentru aceasta activitate un certificat de apreciere de la organizatia Mondiala a Sanatatii- Biroul pt. Europa
- WFNR;
- ROSCOS;
- ROSNERA
- Vicepreședinte al societății de medicină fizică, recuperare și balneoclimatologie

**Alte competențe:**

- 1991 Competența în Neurofiziologie;
- 1991 Competența în Explorări Functionale;
- 2003 Competența în Managementul Serviciilor de Sănătate
- 2009 Competență în Management spitalicesc

**Experiența în evaluarea academică**

- Expert evaluator ARACIS
