Social skills and competences

Personal skills and competences

Organisational skills and competences

Team spirit, excellent ability to cooperate on an interpersonal and institutional level,

I am a confident, experienced and qualified professional who knows how to inspire trust in others. I have an enthusiast, warm and balanced personality. I am a capable team-worker, while at the same time I am not afraid to undertake individual task and carry them out. I know how to speak in order to convince, but I am also a good listener. I'm reliable and dynamic; team working, innovative and self- motivated. I'm a person who tries to build on-going relations; I am honest and hardworking

I organize every year courses, seminars and clinical "case presentations" for residents in infectious diseases and medical students and supervise graduation dissertations for medical students.
