Work experience

Date **2003-present**

Occupation or position held Lecturer (2003-2007), Associate Professor (2007-2013), Full Professor (2013-present), PhD supervisor (since 2014); Director of the Doctoral School of Ecology of the University of Bucharest (2017-2020), Coordinator of the Research Institute of the University of Bucharest, Life, Environmental and Earth Sciences (2014-2020); Vice-rector for Research at University of Bucharest (2020-).

Name and address of employer University of Bucharest, Faculty of Biology, Ale. Portocalelor 1-3, 60101 Bucharest, Romania
 Main activities and responsibilities **Courses and practical works:** *General microbiology, Immunobiology, Medical microbiology* (undergraduate students), *Medical bacteriology, Medical Micology, Novel antimicrobial strategies, Immunogenetics* (Master and PhD students), *Standardized microbiological control of water, food, air and pharmaceutical products* (Master and PhD students), *Clinical Immunology* (Master and PhD students)
Practical works: *Immunobiology, Microbiology* (undergraduate students), *Clinical Immunology, Medical microbiology* (Master and PhD students), *Microbiology* (postuniversity training)
Annual post-university courses of medical bacteriology for biologists, biochemists and chemists working in the Romanian Sanitary System in cooperation with OBBCSSR (*Romanian Order of Biologists, Biochemists and Chemists Working in the Sanitary System*)
Supervisor of graduation, Master, PhD and Postdocs (cca 20 theses/year).

Date **1997-2013 (1997-2003 full time)**

Occupation or position held **Microbiologist**
 Main activities and responsibilities Microbial diagnosis of *Vibrionaceae* family, National Data Manager for EARSS (*European Antimicrobial Resistance Surveillance System*), member in the research team of the laboratory undergoing projects of the laboratory concerning the investigation by phenotypic and genetic tools of the *Vibrionaceae* family members; implementation of new methods for the investigation of toxigenicity and virulence potential, standardization of antimicrobial susceptibility testing of *Vibrio* isolates.

Name and address of employer National Institute for Research and Development in Microbiology and Immunology Cantacuzino
 National Reference Center for Cholera and other Vibrios/Enteric infections

Education and training

Dates **2011-2012- Sept-May**

Continuous "Blended Learning" Training for University teaching - MII- Student centered learning – strategies for projecting, implementation and evaluation of educational process. **M2.2.** Educational strategies centered on students **POSDRU/57/1.3/S/26646**

Dates **2000-2005**

Title of qualification awarded **PhD degree - Host-parasite relationship. Opportunistic infections in HIV-infected patients**

Principal subjects/occupational skills covered Conventional and complementary techniques used for the bacterial, parasitic, viral, fungal infections diagnosis in HIV infected patients, as well as for the investigation of their pathogenic potential.

Name and type of organisation providing education and training University of Bucharest, Faculty of Biology

Level in national or international classification First place in Class A

Dates **1999-2000**

Title of qualification awarded **PhD fellowship**
