Work experience

Dates	March 2012 – present
Occupation or position held	General Surgery Specialist Doctor

Main activities and responsibilities As a specialist doctor I am allowed to perform certain procedures unsupervised, for some of them I am supervised by an older surgeon and for the most difficult ones I am just an assistant. I am used with chronic and acute abdominal diseases, and also with trauma. I assisted various classical surgical procedures as well as laparoscopic surgery and I can provide a list below. Along with surgical treatments I also performed wound management including diabetic foot management.
