

Curriculum Vitae

Dr. GHIORDĂNESCU Ileana-Maria MD

**Allergy and Clinical Immunology Consultant. Research Fellow in Allergy
and Immunology**

Ph.D. student at UMFCD and UM

Personal Details:

Surname: GHIORDĂNESCU

First name: Ileana-Maria

Personal statement:

In 2012, I successfully completed the EAACI (European Academy of Allergy and Clinical Immunology)-UEMS Knowledge Exam, a milestone that has significantly influenced my clinical practice ever since. Subsequently, I embarked on a journey as an allergy and clinical immunology Specialist, evolving into an Allergy Consultant at Elias University Emergency Hospital, Bucharest where I honed my skills in diagnosing and treating allergic diseases.

By 2017, I had the privilege of being an EAACI Foreign Fellow Researcher at ZAUM Institute (Munich), delving into fundamental research within the captivating field of skin stem cells. That same year, I assumed a pivotal role as a member of the EAACI-UEMS Knowledge Exam Committee, eventually taking on the position of secretary in February 2020.

In 2020, I commenced my doctoral studies at the University of Medicine and Pharmacy Bucharest. Subsequently, in August 2021, I had the opportunity to work as a Foreign Fellow at the University Hospital of Montpellier Department of Pulmonology, Division of Allergy, during a six-month doctoral Fellowship under an International Cooperation Research Fellowship offered by Carol Davila University of Medicine and Pharmacy, Bucharest. The year 2022 marked another significant milestone in my academic journey as I was accepted as a doctoral student also at the University of Montpellier under a joint doctorate program.

In March 2023, I embarked on a new chapter in my career as an Allergy and Clinical Immunology Consultant at St Mary's Hospital (Imperial College) in London. In April 2024, I restarted my activity at Elias University Emergency Hospital in my home country where I am currently reorganising the clinical activity in our Compartment.

Based on results collected from my clinical and research activities I have generated high-quality abstracts and publications, presented during National and International Scientific Meetings, for which I have been awarded travel grants, prizes for the best presentations, as well as national awards.

A noteworthy achievement in my career includes my participation in the CESMA (Council of European Specialist Medical Assessment) meeting as an EAACI delegate in December 2023, followed by my acceptance as a CESMA appraiser in May 2024. This particular experience has granted me invaluable knowledge and understanding of the extensive European medical field.

In addition, I was elected as the EAACI-UEMS Knowledge Exam Chair in July 2024, and currently, I am a member of the Executive Committee of EAACI. This allows me to be even more involved in the education field in my specialty.

Altogether, I believe I am a very passionate and hardworking individual, dedicated, enthusiastic, and creative, characteristics that have ensured the achievement of goals and collaboration within our specialty and beyond. Furthermore, working in different environments and with a variety of clinical and research teams, I have learned how to establish good relationships with my colleagues and work together to achieve the proposed goals enabling me to ensure the successful completion of projects I dedicate my time to.

Professional experience**Clinical experience:**

- *Allergy and Clinical Immunology Consultant, full time* at Elias University Emergency Hospital, Department of Dermatology and Allergology, Bucharest, Romania (12.04.2024 to date)
- *Allergy Consultant at St Mary's Hospital, full time (10 PA)* at Imperial College NHS Trust, Chest and Allergy Department, London, UK (16.03.2023-15.03.2024)
- *Allergy and Clinical Immunology Consultant, full time* at Elias University Emergency Hospital, Department of Dermatology and Allergology, Bucharest, Romania (23.09.2022-15.03.2023)
- *Allergy and Clinical Immunology Consultant, full time* at Elias University Emergency Hospital, Department of Dermatology and Allergology, Bucharest, Romania (2019-25.08.2021)
- *Allergy and Clinical Immunology Certified Specialist* at Elias University Emergency Hospital, Department of Dermatology and Allergology (2015-2019), and other clinics in Bucharest, Romania such as NovoMedica and Life Med Clinic (2013-2015).
- *Allergy and Clinical Immunology Certified Specialist* working in shifts, in the *Internal Medicine Department* at Colentina Clinical Hospital, Bucharest, Romania (2013-2015)

Research experience:

- *Research Fellow in Allergy and Immunology* at the University Hospital of Montpellier Department of Pulmonology, Division of Allergy, France (21/03/2022-22/09/2022)
- *Research Fellow in Allergy and Immunology (third degree)* at Elias University Emergency Hospital Bucharest, Romania (since 2019)
- *Foreign Fellow Researcher in Fundamental Research*, ZAUM (Zentrum Allergie und Umwelt), Munich, Germany during the *EAACI (European Academy of Allergy and Clinical Immunology) Long-Term Research Fellowship* (01/04/2017-31/03/2018)
- *MD-PhD "Treatment of the 1/3 proximal femur fractures"* at "Carol Davila" University of Medicine and Pharmacy (U.M.F.C.D.), Bucharest (01/10/2006-11/06/2007)

Main activities and responsibilities:

Diagnosis (epicutaneous test – prick, intradermal, patch; functional respiratory tests such as spirometry, peak flowmetry; sputum induction protocols; drug provocation test – different protocols, oral food challenges – multiple foods, different protocols, ergometry and other tests for inducible urticaria – TempTest, dermographometer, ice cube test, pressure test, etc.) and **treatment** (desensitization protocols – rapid and slow – multiple medications including oncological drugs, biologics, immune checkpoint inhibitors; venom and aeroallergen immunotherapy; biological treatment – Omalizumab, Benralizumab, Dupilumab) covering most allergic diseases and autoimmune and autoinflammatory disease, as well as immune deficiencies and mast cell diseases.

	<p>Research activities: Cell cultures 2D and 3D; organoid culture; Cell stimulation; Transcription factor and surface marker profile of human cells analysis; gene expression profiling (PCR, flow cytometry); cytokine profile analysis (MesoScaleDiscovery's Multiplex-Assay), immunochemistry and immunohistology; advice for the design of the equations for mathematical modeling of disease-related models.</p>
<p>Education and training (participation in Training courses / Schools, Focused Meetings, Symposia, and Congresses)</p>	<p>Academic achievements:</p> <ul style="list-style-type: none"> • <i>Ph.D. Student</i> at the University of Montpellier, France during a Joint-doctorate program - 21/02/2022-present • <i>Doctoral Foreign Fellow</i> at the University Hospital of Montpellier, Department of Pulmonology, Division of Allergy, France – 6 months doctoral stage during the International Cooperation Research Grant, offered by the U.M.F.C.D., Bucharest, Romania (25/08/2021- 24/03/2022) • <i>Ph.D. Student</i> at U.M.F.C.D., Bucharest, Romania (01/10/2020-present) • <i>Consultant in Allergy and Clinical Immunology</i> recognized by the Ministry of Health, Romania – passed with 9.11 out of 10 points (02/09/2019) • <i>Certified specialist in Allergy and Clinical Immunology</i> after 5 years of specialty training at U.M.F.C.D. – passed with 9.32 out of 10 points (31/12/2012) • <i>European Board-Certified allergist</i> by European Academy of Allergy and Clinical Immunology (EAACI)-UEMS Knowledge Examination – passed with 90 points out of 111 with a cut-off point set at 59.9% (16/06/2012) • <i>Bachelor's Degree</i> after 6 years of medical training at U.M.F.C.D., Bucharest, Romania – passed with 9.91 out of 10 points (11/06/2007) • <i>Baccalaureate Diploma</i> (16/07/2001) <p>Training Courses:</p> <p>Ph.D. Courses:</p> <ul style="list-style-type: none"> • Rediger et publier un article – MOOC online Course (20 hours) – 03/10/2022 • Pedagogy (25/05/2021) • Health care legislation (06/04/2021) • Law medicine and bioethics (01/03/2021-12/04/2021) • Biostatistics I and II (16-27/11/2020; 01-26/02/2021) • Scientific project management (02-07/12/2020) • Clinical epidemiology (09-13/11/2020) • Scientific research methodology (19-25/10/2020) • Doctoral course „Type 2 Immune Response – aspects in infections, tissue remodelling, cancer and allergy”, held at ZAUM, Munich, Germany (03-07/04/2017) <p>Other Courses performed during the last 5 years:</p> <ul style="list-style-type: none"> • THE DISTANCE LEARNING ACTIVITY CME Online ERS - Biomarkers in asthma, 19/04/2024 • THE DISTANCE LEARNING ACTIVITY CME Online ERS - How to diagnose hypersensitivity pneumonitis, 18/04/2024 • THE DISTANCE LEARNING ACTIVITY CME Online ERS - CXRs in the ICU, 18/04/2024 • THE DISTANCE LEARNING ACTIVITY CME Online ERS - Efficient inhalation therapy for your asthma and COPD patients, 18/04/2024 • THE DISTANCE LEARNING ACTIVITY CME Online ERS - Exacerbations in mild asthma, 18/04/2024 • New Consultant Induction event, Imperial College, NHS Trust, 05/10/2023 • GA2LEN-ANACARE GAFA 2022 Forum and Allergy School, Padua, Italy, 01-03/09/2022 • Go Beyond AIT Training Programme, Lisbon, Portugal, 10-11/06/2022 • Go Beyond: Virtual AIT Training Programme (25/10/2020) • “Academic program: Master Class: AIT, Asthma and Prevention”, Montpellier, France (18-19/10/2019) <p>Attendance to Focused Meetings, and Symposia in the last 5 years:</p> <ul style="list-style-type: none"> • Skin allergy meeting (SAM) – digital (24-25/03/2023) • Pediatric Allergy and Asthma Meeting (PAAM) – digital (12-13/11/2021) • International Severe Asthma Forum (ISAF) – digital (17/04/2021) • Skin Allergy Meeting (SAM) – digital (12-13/03/2021) • Food Allergy and anaphylaxis Meeting (FAAM)-EUROBAT – digital (16-17/10/2020) • „Meet the professors: Pascal Demoly and Anca Chiriac”, Poiana Brasov, Romania (07/03/2020) • PAAM, Florence, Italy (17-19/10/2019) • SAM, Munich, Germany (04-06/04/2019)
