

Lucian Pușcașiu

Education

1983 – 1989	University of Medicine and Pharmacy Tîrgu-Mureș
1978 – 1982	“I. Mureșianu” High School, Blaj, Bacalaureat Diploma
1970 – 1978	Blaj Elementary School

Degrees

2005 – 2006	Masters degree, Health management
2003	PhD in medicine, Laparoscopic surgery for female infertility
1998	Senior consultant in Obstetrics and Gynaecology
1994	Specialist in Obstetrics and Gynaecology
1989	General Practitioner

Professional development

2012, 2013, 2014	Visiting Professor University of Medicine, Rouen, France
2011	Gynecologic oncology robotic surgery (observership) Memorial Sloan Kettering Medical Center, New York, USA
2009	Intensive course in epidemiology and medical statistics London School of Hygiene and Tropical Medicine
2002	Specialization in family planning
2002	Specialization in gynaecological laparoscopic surgery
2002	Specialization in hysteroscopy
1998	Specialization in gynaecological ultrasound
1997	Laparoscopic surgery Hopitaux Universitaires de Geneve
1997	Human reproductive biology Hopitaux Universitaires de Geneve
1995	Fetal medicine Center for prenatal diagnostic, Indianapolis, USA
1993 – 1994	Laparoscopic surgery Klinikum Aschaffenburg, University of Medicine Wurzburg, Germany

1993 Fetal ultrasound
Universitäts Frauenklinik Würzburg, Germany

Professional experience

1995 – present Senior Consultant
First Clinic of Obstetrics and Gynaecology, Mureş County Emergency Clinical Hospital

1991 – 1994 Resident in Obstetrics and Gynaecology
First Clinic of Obstetrics and Gynaecology, Mureş County Emergency Clinical Hospital

1990 – 1991 Intern
Mureş County Emergency Clinical Hospital

Academic/teaching experience

2014 – present Professor
Obstetrics and Gynaecology Department, University of Medicine Tîrgu-Mureş
Lectures in obstetrics and gynecology, ultrasound and laparoscopic surgery for medical students and residents at the University of Medicine Tîrgu-Mureş

2014 – present Director
Master for Advanced Medical Research

2013 – present Trainer
Development and Implementation of Clinical Guidelines, UNFPA and EEIRH

2013 – present Director
Doctoral School, University of Medicine Tîrgu-Mureş

2007 – 2014 Associated Professor
Obstetrics and Gynaecology Department, University of Medicine Tîrgu-Mureş

2004 – 2007 Lecturer
Obstetrics and Gynaecology Department, University of Medicine Tîrgu-Mureş

1991 – 2004 Assistant
Obstetrics and Gynaecology Department, University of Medicine Tîrgu-Mureş

Research experience

2014 A randomized double-blind, placebo, active controlled parallel - group study to evaluate de analgesic efficacy and safety of dexketoprofen trometamol and tramadol hydrochloride oral fixed combination on moderate to severe acute pain following abdominal hysterectomy.

2012 Clinical Guidelines for Sexual and Reproductive Health. A Survey in Countries of Eastern Europe and Central Asia (EECA). UNFPA.

2010 A Phase II, randomized, double-blind, placebo- and active-controlled study to assess the efficacy and safety of NBI- 56418 in subjects with endometriosis. Code: NBI-56418-0703

2009 Comparative study of the efficacy and tolerability of iron polymaltose complex film-coated tablets with folic acid (Maltofer Fol film-coated tablets) compared to a generic iron sulphate product in pregnant women with iron- deficiency anaemia.

Code: VIT-FOLFILM-07

2008 - 2010	A Phase III, randomized, parallel group, double-blind, placebo-controlled, multi-center study to assess the efficacy and safety of PGL4001 (ulipristal) versus placebo for pre-operative treatment of symptomatic uterine myomas. Code: PGL07-021
2008	Exaggerated placental site lesion with unusual presentation in the cervix of a perimenopausal patient, APMIS, 116: 160-162, (2008)
2007 - present	Effectiveness of facility-based audits to improve the responsiveness of West African district hospitals to obstetric emergencies: a three-country cluster randomised controlled trial.
2007	Metastasis from papillary renal cell carcinoma squaring as primary ovarian clear cell tumour. Pathology Research and Practice 203 (2007): 819-822
2006-2007	Multicentric, randomised, double blind, placebo controlled clinical trial to evaluate the efficacy and the safety of the prophylaxis with Bemiparin 3,500 IU/day for 28 days compared to 8 days, in venous thromboembolic disease in patients undergoing oncological abdominal or pelvic surgery.
2006	A randomized double-blind, multicentre, parallel group, balanced, stratified, Phase 3 study to evaluate the efficacy and the safety of single iv doses of palonosetron 0,025 mg, 0,050 mg, and 0,075 mg versus placebo in outpatients to prevent nausea and vomiting following elective abdominal or gynecological laparoscopic surgery.
2006	WHO Study A 35148: Comparison of two doses and two routes of administration of misoprostol after pre-treatment with mifepristone for early pregnancy termination: a multinational randomized control trial.
2005 – 2009	WHO Study A 45035: Improving reproductive health and contraceptive use among factory employees in Braila, Romania.
2003	WHO Study A 15078: Comparison of two doses of mifepristone and two intervals of misoprostol administration in early abortion.
1999	WHO Study A 97903: A multicentre double-blind, randomized, controlled clinical study: mifepristone plus three regimens of misoprostol for early abortion.

Professional affiliations and memberships

2002 – present	Member, European Society of Gynaecological Endoscopy
2000 – present	Member, International Federation of Fertility Societies
1998 – present	Member, The Romanian Association of Human Reproduction
1998 – present	Member, Romanian Society of Ultrasound
1998 – present	Member, Romanian National Society of Oncologic Gynaecological Surgery
1994 – present	Member, Romanian Society of Perinatal Medicine
1993 – present	Member, Romanian Society of Obstetrics and Gynaecology
