

PERSONAL INFORMATION

Marusia Valentina Uscatescu

WORK EXPERIENCE

- 1996 – Present **Senior Physician in Laboratory Medicine**
Clinical Institute Fundeni
Haemostasis and Fibrinolysis Laboratory
- 1996 – Present **Principal Research Scientist Grade I in Haematology (Clinical and Laboratory)**
Clinical Institute Fundeni
- 1991 – 1996 **Specialist Physician in Laboratory Medicine, Research Scientist**
Clinical Institute Fundeni
- 1988 - 1991 **Resident Physician in Laboratory Medicine**
Clinical Institute Fundeni

EDUCATION AND TRAINING

- 2000 **PhD**
Bucharest University of Medicine and Pharmacy
- 1991 **Specialist Physician in Laboratory Medicine**
Bucharest University of Medicine and Pharmacy
- 1985 **Medical Doctor**
Bucharest University of Medicine and Pharmacy

PERSONAL SKILLS

Mother tongue(s) Romanian

Other language(s)

| | UNDERSTANDING | | SPEAKING | | WRITING |
|---------|---------------|---------|--------------------|-------------------|---------|
| | Listening | Reading | Spoken interaction | Spoken production | |
| English | C2 | C2 | C2 | C2 | C2 |
| French | C2 | C2 | C2 | C2 | C2 |
| German | C2 | C2 | C2 | C2 | C2 |

Replace with name of language certificate. Enter level if known.

Communication skills ▪ Excellent communication skills gained through my didactic experience

Organisational / managerial skills ▪ leadership (Head of Haemostasis and Fibrinolysis Laboratory , Principal Investigator in clinical trials)

Other skills Scholarships and Courses

- 1996 - University of Medicine Debrecen, Hungary (Professor Dr. L. Muszbeck)
- 1997 - University of Medicine Munchen Innenstadt (Professor Dr. Schramm)
- 1998 - "Thrombosis and Haemostasis"-course organised by ETRO (European Thrombosis Research Organization) (Professor Dr. Giovanni De Gaetano). Heviz, Hungary
- 1999 - Agregometry Course at Laboratory Clinic Department , University of Medicine and Pharmacy Dote, Hungary
- 2000 - "Thrombosis and Haemostasis" - course organised by ETRO European Thrombosis Research Organization), Krakow, Poland

Professional Societies

- 1989 - General Secretary of Romanian Society of Clinical Laboratory
- 1990 - Member of Romanian Association of Haemophilia
- 1991 - Member of " Marcela Zamfirescu-Gheorghiu" Foundation of Clinical Laboratory
- 1992 - Editor of " Annual Report for Laboratory Medicine"
- 1993 - Member of Editorial Staff of the Clinical Laboratory Periodical
- 1994 - Member of Romanian Society of Haematology
- 1995 - Member of The Standardisation Committee of Coagulation tests (C-SCT)
- 1999 - Member of Romanian American Laboratory Medicine Association
- 2000 - Member of "Stefan Berceanu" Foundation of Haematology
- 2001 - Member of European Haematology Association (EHA)

ADDITIONAL INFORMATION

- | | |
|--------------------|--|
| Publications | 1. AT III natural inhibitor of coagulation-dosing technics- V Uscatescu, C Pitrop Fundeni Clinical Institute, Bucharest, Romania (1996) |
| Presentations | 2. AT III –clinical and therapeutical importance- V Uscatescu, C Pitrop Fundeni Clinical Institute, Bucharest, Romania (1996) |
| Projects | 3. The diagnosis and monitoring of the primary hypercoagulability status (hereditary thrombophilia)-D Colita, V Uscatescu Fundeni Clinical Institute, Bucharest, Romania (Documenta Haematologica, 1, 1997, 5-18) |
| Conferences | 4. Experience Intensive Care and Anesthesiology- Cardiovascular surgery with synthetic ATIII at post-CEC patients- D Filipescu, V Uscatescu, Fundeni Clinical Institute, Bucharest, Romania (1999) |
| Seminars | 5. Neurological manifestations in patients with AT III deficiency- I A Popescu, V Uscatescu, C Popa, M Gavenea Fundeni Clinical Institute, Bucharest, Romania (1999) |
| Honours and awards | 6. New screening tests in the diagnosis of thrombophilia- V Uscatescu, V Taru, E Chiriac (conference at symposium " Marcela Zamfirescu-Gheorghiu", Brasov, May 2000) |
| Memberships | 7. Pro C Global-screening test for diagnosis of Protein C deficiencies, Protein S and Factor V Leiden- V Uscatescu, V Taru, E Chiriac (conference at First Balcanic Congress of Clinical Laboratory, Sinaia, 2000) |
| References | 8. Foramen ovale patent detected by transcranial Doppler with contrast (ECHOVIST) associated with protein C deficiency-A Nistorescu, V Uscatescu, D Nicorescu, M Alaiescu, G Boeru, S Tuta Cerebrovascular Diseases Institute, Fundeni Clinical Institute, Bucharest (at III National Conference of Stroke, Constanta, 2000) |
| Citations | 9. Neurological manifestations in acute leukemia with eosinophilia-V Uscatescu, A Popescu, D Ostroveanu, I Cojocar Fundeni Clinical Institute, Bucharest (at III National Conference of Stroke, Constanta, 2000) |
| Courses | 10. The role of antiphospholipids antibodies and other thrombogenic factors in thrombophlebitis and repetitive pulmonary embolism in young patients V Uscatescu, D Quesda, C Ginghina, C Carp, C Ceck, D Colita, I Kulcsar, E Apetrei Fundeni Clinical Institute, Bucharest (XXXIX-th Congress of Cardiology, Sinaia, 2000) |
| Certifications | 11. Primary thrombophilia in patients with thrombophilic events V Uscatescu, C I Danila, A Pisteu, I M Coman, E Chirian, V Tatu Fundeni Clinical Institute, Bucharest (XXXIX-th Congress of Cardiology, Sinaia, 2000) |
| | 12. Influence of hypolipemiant treatment on new cardiovascular events in dislipidemia patients with multiple vascular determination- I Kulcsar, V Uscatescu, I Arsenescu, D Queshta, C Ginghina, E Apetrei Fundeni Clinical Institute, Bucharest (XXXIX-th Congress of Cardiology, Sinaia, 2000) |
| | 13. Neurological manifestations in cardiac mixoma-A Popescu, V Uscatescu, C Popa (at III National Conference of Stroke, Constanta, 2000) |
| | 14. Acute debut through thrombosis in chronic myeloid leukemia-O Georgescu, V Uscatescu, C Calugaroiu, E Chiriac, V Taru Fundeni Clinical Institute, Bucharest (XI-th National Hematology Conference, Poiana Brasov, 2000) |
| | 15. Arterial thrombosis in female patients with pseudoxantoma elasticum and hereditary deficiency of protein S –A Iofciulescu, I Voican, V Uscatescu, L Augustin, I Teodoru Fundeni Clinical Institute, Bucharest (XI-th National Hematology Conference, Poiana Brasov, 2000) |
| | 16. Synthetic AT III: therapeutical applications- V Uscatescu, D Ostroveanu, D Filipescu, L Gioada, A Ion, G Staicu, V Taru, E Chiriac Fundeni Clinical Institute, Bucharest (XI-th National Hematology Conference, Poiana Brasov, 2000) |
| | 17. 17 NOVO SEVEN, r FVII a –a new hope in the treatment of hemophilic patients with specific factor inhibitors- G S A ndronescu*, L Rusen*, R Bunescu **, L Calustian **, V Uscatescu ***, I Malter **** *National Institute of Transfusional Hematology " Prof CT Nicolau" **Emergency Hospital " Prof Dr Bagdasar" ***Hematology Department, Fundeni Clinical Institute ****Oro-Maxilo- Facial Surgery Clinic (XI-th National Hematology Conference, Poiana Brasov, 2000) |
| | 18. Cerebral intraparenchymal haemorrhage in patients with lupin anticoagulant-case presentation- A Iofciulescu, V Uscatescu, I Voican, L Augustin, I Teodoru Funder Clinical Institute, Bucharest (XI-th National Hematology Conference, Poiana Brasov, 2000) |
| | 19. Perspectives in the treatment of haemophilia with inhibitors- Uscatescu Fundeni Clinical Institute-Bucharest (European Consortium of Hemophilia-Timisoara, 2000) |
| | 20. Modern concepts in the treatment of haemophilia Uscatescu Fundeni Clinical Institute-Bucharest (The V-th National Congress of Pediatrics, Modern concepts in the treatment of haemophilia -V Uscatescu Fundeni Clinical Institute-Bucharest (The V-National Congress of Pediatrics, Iasi, 2000) |

21. A rare mechanism of hereditary thrombophilia prothrombin G 20210A gene mutation –Clinical case presentation (The 6-th Annual Meeting of European Haematology Association, Frankfurt, 2001) D Moicean (1), D Colita (1), L Muszbeck (2), M Olariu(1), V Uscatescu (1) University of Debrecen, Hungary (2)
22. Thrombotic thrombocytopenic purpura: report of 12 cases (The 6 th Annual Meeting of European Haematology Association, Frankfurt, 2001) D Ostroveanu, D Colita, L Gioada, E Niculescu-Mizil, V Uscatescu Fundeni Clinical Institute-Bucharest
