Informații personale

Nume / Prenume

Pietrareanu Corina

Locul de muncă vizat /
Domeniul ocupațional

Medic gastroenterolog - Hepatologie pentru transplant hepatic
Ecografie generala, Ecografie vasculara abdominala transcutnata si
intraoperatorie

Experiența profesională

Perioada

2015 → prezent doctorand in gastroenterologie
2013 medic primar gastroenterolog,
2013 Certificat de Medic primar in Gastroenterologie
2010-2013 medic specialist gastroenterolog – Clinca de Gastroenterologie, Institutul
Clinic Fundeni
2009-2010 medic specialist gastroenterolog, in sectie de gastroenterologie, Sp. de
Urgenta Dimitrie Gerota
2004-2009 medic primar medicina interna, in sectie de medicina interna,
2004 Certificat de Medic primar in Medicina Interna,
1999-2004 medic specialist medicina interna, in sectie de gastroenterologie,
1993-1999 medic rezident medicina interna

Funcția sau postul ocupat

Medic primar gastroenterolog, Clinca de Gastroenterologie, Hepatologie si
Transplant Hepatic, Sectia III, I. C. Fundeni

Activități și responsabilități principale	<p>Gastroenterologie clinica, terapie intensiva gastroenterologie si hepatologie, evaluare si terapie pretransplant hepatic.</p> <p>Ultrasonografie abdominala diagnostica, examinare Eco Doppler vase abdominale intra si postoperator, ecografie cu substanta de contrast</p> <p>Ultrasonografie interventionala, punctii bioptice hepatice ecoghidate,</p>
Numele și adresa angajatorului Tipul activității sau sectorul de activitate	<p>Institutul Clinic Fundeni, Clinica de Gastroenterologie si Hepatologie, sectria III.</p> <p>Medicina clinica, Cercetare clinica, Tratament hepatite virale cronice prin programele nationale Investigarea ultrasonografica diagnostica a formatiunilor tumorale hepatice (standard, Doppler si contrast) Biopsii hepatiche ecoghidate Evaluare pacientii cu boala hepatica avansata pentru includerea pe lista de asteptare pentru transplant hepatic de la donator cadavru si de la donator viu. Evaluarea ecografica Doppler a pacientilor intraoperator (transplant hepatic) si in perioada critica posttransplant.</p>
Educație și formare	
Perioada	<p>-2021/02 „Introduction to Epidemiology” (passed 7.2); the online MSc program in Epidemiology offered by Utrecht University, University Medical Center Utrecht, MSc Epidemiology and Elevate Health</p> <p>-2020 20/09 „Introduction to Statistics” (passed 8.2); the online MSc program in Epidemiology offered by Utrecht University, University Medical Center Utrecht, MSc Epidemiology and Elevate Health</p> <p>-2017 Curs de elastografie hepatica, EUROSON School Course – Timisoara 10-11 noiembrie.</p> <p>-2016 → prezent; membru al European Association for the Study of the Liver</p> <p>-2009-2010 Curs pentru atestat in managementul serviciilor de sanatate – organizat de SNSPMF</p> <p>-2008 Curs de perfectionare postuniversitara – Bazele Ultrasonografiei Interventionale – UMF Cluj- Napoca & Jefferson Ultrasound Research And Educational Institute Philadelphia U.S.A.</p> <p>-2005-2009 Rezidentiat in Gastroenterologie (stagii de oncologie, ATI, gastroenterologie si curs de endoscopie digestiva diagnostica)</p> <p>-2003 Curs de perfectionare postuniversitara Ecografia Vaselor Viscerale UMF Cluj- Napoca & Jefferson Ultrasound Research and Educational Institute Philadelphia U.S.A.</p> <p>-1995 Curs si stagiu practic de ecografie generala, SMC Bucuresti</p> <p>-1993-1998 Rezidentiat Medicina Interna (stagii de medicina interna, cardiologie, hematologie, medicina interna, diabet si boli de nutritie)</p> <p>-1986-1992 Universitatea de Medicina si Farmacie “Carol Davila” - Facultatea de Medicina, Bucuresti,</p> <p>-1981-1985 Colegiul National “Dimitrie Cantemir”, Bucuresti sectia Matematica-Fizica, Diploma de Bacalaureat</p> <p>-1973-1981 Cursuri elementare Scoala generala 50 Bucuresti</p>
Calificarea / diploma obținută	Doctor medic

Disciplinele principale studiate /
competențe profesionale
dobândite

-Medicina interna
-Gastroenterologie
-Ecografie generala
-Endoscopie digestiva diagnostica

Numele și tipul instituției de
învățământ / furnizorului de
formare

-UMF „Carol Davila” Bucuresti
-UMF „Iuliu Hateganu” Cluj Napoca – Cursuri postuniversitare
-EFSUMB UMF „Victor Babes” – Timisoara
-SNSPMF Bucuresti
-The online MSc program in Epidemiology offered by Utrecht University, University
Medical Center Utrecht, MSc Epidemiology and Elevate Health

Aptitudini și competențe personale

Limba(i) maternă(e)
