

Memoriu științific,

Stud. Drd. Vișoianu Andrei

Am absolvit Facultatea de Medicina si Farmacie Carol Davila in 2014, susținând lucrarea de diploma "Studiu retrospectiv asupra osteotomiilor tibiale de corecție" sub coordonarea Prof. Dr. Cristea Stefan si îndrumarea Asist. Univ. Dr. Dragosloveanu Serban.

Am absolvit in 2005 Facultatea de Sociologie si Asistenta Sociala din cadrul Universității București, specializarea Sociologie.

In 2015, în urma examenului de rezidențiat, am fost repartizat ca medic rezident ortopedie-traumatologie in cadrul Spitalului Clinic de Urgenta București. În 2019 am finalizat programa de rezidențiat si am devenit medic specialist ortopedie-traumatologie in urma examenului de specialitate.

Din 2020 si pana in prezent sunt asistent universitar in cadrul Departamentului 14 Ortopedie-ATI, Disciplina Ortopedie SCUB.

Pe perioada activității de asistent universitar am susținut ca îndrumător elaborarea mai multor lucrări de licență:

- Abordări terapeutice în leziunile multiligamentare de genunchi
- Tratamentul chirurgical al pseudartrozei femurale
- Provocări în reconstrucția platoului tibial post fracturi cominutive
- Rezultate funcționale după tratamentul chirurgical al fracturilor de pilon tibial
- Managementul terapeutic in luxatia recidivanta de rotula
- Tratamentul chirurgical al leziunilor de tendon ahilian: deschis vs percutan
- Tehnici chirurgicale in chirurgia meniscului
- Abordari terapeutice in pseudartrozele de diafiza

Am participat in mod repetat anual la examenele de licență si de admitere organizate de UMF Carol Davila, la examenele naționale de rezidențiat precum si in comisii de examen pe post.
