andreea.steriu@umfcd.ro

Sexul F | Naționalitatea Român

LOCUL DE MUNCA

Universitatea de Medicina si Farmacie Carol Davila, Catedra de Sanatate Publica si Management

EXPERIENȚA PROFESIONALĂ

03/2018 - prezent

Asistent Universitar

07/2011 - prezent

Doctor Medic, specialist sanatate publica si management, consultant independent (UE si Regiunea Europeana)

Bucuresti, Romania

Dezvoltare strategica de proiecte si cercetare in sanatate publica, pentru servicii de sanatate si politici inter-sectoriale :

1. Contractor independent de sanatate publica si management cu precadere domeniul epidemiologiei bolilor transmisibile si ne-transmisibile, determinantilor starii de sanatate (alcool si alte droguri); management de sisteme de sanatate, evaluari de riscuri; cercetare aplicata cu analiza interfetei cercetare/ politici de sanatate in sisteme de sanatate, servicii de sanatate si sociale; resurse umane in sistemele de servicii de sanatate (Directive CE: 36/2005 si 55/2013).

2. Evaluator extern de sanatate publica (inca din 2007): inregistrare cu DG SANCO si CHAFA/EAHC Luxembourg pentru exercitii de evaluare ex-ante, interim si ex-post: 2007-2011; 2011-2013 Health and Consumer Programmes; si 2014-2020 (3rd Health Programme). Am participat aproape anual la exercitii de evaluare, ultimul a fost in 2016;

3. Cercetare empirica si organizare de baze de dovezi pentru politici de sanatate: Cercetator ESPAD cu rol de analize statistici avansate pe baze foarte largi de date si evaluare de informatie; utilizarea informatiei in politicile de sanatate europene (de ex alcool, droguri);

4. Sanatate publica academica: listata ca DL Tutor la LSHTM - MSc Epidemiology, University of London, International Programmes (rol permanent); Visiting professor, modul engleza anul V studenti medicina generala, curs si lucrari practice (LP) pentru anii universitari: 2011/2012, 2012/2013 and 2013/2014; activitate de LP reluata in octombrie 2017: UMF 'Carol Davila', Bucuresti

5. Autoperfectionare si dezvoltare profesionala continua: doctor medic bilingv (romana si engleza), cu specialitate sanatate publica; dezvoltare profesionala acreditata de Faculty of Public Health of the Royal Colleges of Physicians, UK cu Certificate of 'Good standing for CPD' 2017; membru al Colegiului Medicilor din Romania (Bucuresti)

Realizari: Contracte si proiecte castigate in UK, UE, Regiunea Europeana (UNAIDS/WHO CARK); performanta masurata prin continuitatea activitatilor (de ex la nivel UE, CHAFA), evaluare profesionala (appraisals) conform 'Good Medical Practice' al GMC UK.

Tipul sau sectorul de activitate: consultanta tehnica de sanatate publica la nivel european (UE sau Regiunea Europeana): servicii de sanatate, cercetare in sanatate la nivel de sistem de sanatate, educatie universitara si post-universitara

06/2007 - prezent DL Tutor and Assessor MSc Epidemiology

(rol permanent din
anul universitar
2010/2011)

LSHTM, Keppel St, London, WC1E 7HT and University of London

Supraveghere, indrumare si evaluare de proiecte finale la nivel de master: MSc Epidemiology;

Examinator de proiecte finale (prim/secund) cu notare dubla; orar academic strict pe obiective (trimestrial, operational); 'distance based coaching' si monitorizare studenti ; am efectuat si supraveghere voluntara cu trei studenti, in Anglia; unul dintre ei a absolvit masterul cu 'Distinctie'

Realizari: de-a lungul anilor am avut 1-2 studenti pe an; evaluarea finala a proiectului am facut-o cu grupe de 8-10 studenti, cu notare dubla, 'blind' si prin proces facilitat de echipa de coordonare a cursului .

Tipul sau sectorul de activitate: activitate academica post-universitara

09/2005 - 06/2011 Public Health Doctor, Staff Grade

Isle of Man Government, Department of Home Affairs, Chief Executive Office, "Homefield", 88 Woodbourne Rd, Douglas, IM2 3AP, Isle of Man, British Isles

Leader de cercetare epidemiologica ai factorilor de risc asociati cu starea de sanatate la nivel populational: politici de sanatate si sociale la nivel strategic; reprezentant in comisia de politici sociale la nivel de guvern ca cercetator si consilier, inclusiv cu reprezentare delegata la intalniri oficiale din alte jurisdictii (British-Irish Council, ACMD UK).

Dezvoltator de strategie privind actiuni asupra determinantilor starii de sanatate;

Dezvoltator, monitor si evaluator de planuri operationale inclusiv cu bugetare cu: obiective, masurarea performantei si benchmarking pentru evaluare anuala.

Principal Investigator ESPAD Isle of Man (ancheta 2007)

Consilier pe cercetare Isle of Man ACMD (Advisory Council for the Misuse of Drugs) si reprezentare oficiala ca delegat la: NICE, ACMD UK, BIC (British-Irish Council); politici de droguri si consecinte asupra sanatatii (legislatie, impact pe: sanatate, piata de munca; mediu social)

Realizari: contributie profesionala tehnica de sanatate publica substantiala la nivelul politicilor de guvernare: sanatate, servicii sociale, interne, educatie, justitie, munca, proiecte inter-sectoriale; am scris raporturi anuale, evaluari bienale, guvernanta informatiei pentru viziuni strategice si planificare de servicii; anchetele ESPAD Isle of Man 2007 si ESPAD 2011, desfasurare si contributie la raporturile nationale si raportul European ESPAD.

Tipul sau sectorul de activitate : guvernamental; afaceri interne si sanatate (sisteme de sanatate extinse)

02/2000 - 09/2005
(full time din 06/2001)

Public Health Doctor, Staff Grade

Isle of Man Government, DHSS- Directorate of Public Health, Demesne Rd, Douglas, IM1 3QA, Isle of Man, British Isles

Cercetare si informatie pentru dezvoltarea de servicii si programe:

Leader in programul de cercetare in sanatate publica prin anchete epidemiologice observationale: populatii scolare si populatie generala

Principal Investigator: International Study for Asthma and Allergies in Children Phase Three, studiu global coordonat din Noua Zeelanda;

Principal Investigator: ESPAD Isle of Man, studiu european, coordonat din Suedia;

Principal Investigator: HLSC Isle of Man, afiliere la studiu OMS (HBSC).

Leader analitic pentru epidemiologia cancerului in colaborare cu Registrul MCCR.

Realizari: rapoarte ale tuturor anchetelor epidemiologice populationale. 1) ISAAC Phase Three, studiu epidemiologic pe lot exhaustiv (2001), analiza datelor si contributie la raportul international, un articol publicat (BMJ, 2004); 2) trei anchete HLSC cu loturi de: 1800 (2001), 2400 (2003) and 2400 (2005) elevi; 3) ESPAD Isle of Man 2003 pe un lot de 900 elevi. Am efectuat masuratori si estimari, inclusiv pe trend pentru diferente si masurare de impact pe politicile de educatie pentru sanatate. Am condus si o ancheta de sanatate pentru populatia generala (18+ ani), am parcurs toate etapele de la esantionaj la elaborarea raportului final.

Tipul sau sectorul de activitate guvernamental; sanatate (sisteme de sanatate extinse: educatie si afaceri interne)

10/1995 - 03/2001

Asistent universitar, sanatate publica si management

UMF Carol Davila, Bucuresti, Romania, Str Dr Leonte Anastasievici nr 1-3, sect 6, Bucuresti

Lucrari practice la studenti de anul V Medicina Generala

Membru in echipa de lucru TEMPUS-JEP

Leader parteneriat USAID-Chicago/Bucuresti

Coordonator curs epidemiologie: master si educatie continua (prin INSP)

Curs de perfectionare de metodologia cercetarii pentru studiul epidemiologic al bolilor cronice in cadrul doctoratului: epidemiologie si statistica, stiinte sociale: metodologie si metode, cercetare operationala, economie sanitara (LSHTM / LSE in perioada 1997 - 2001)

Tipul sau sectorul de activitate : invatamant academic universitar si post-universitar

02/1995 -10/1995

Doctor medic, specialist sanatate publica si management

Institutul National de Sanatate Publica - Bucuresti, Str Dr Leonte Anastasievici nr 1-3, sect 6, Bucuresti

Manager de proiect LUMNY (RO-3409, proiect cu Banca Mondiala)

Coordonator curs epidemiologie: master si educatie continua

Lucrari practice cu studenti anul V Medicina Generala

Tipul sau sectorul de activitate : servicii de sanatate: management si invatamant post-universitar

- 02/1992- 02/1995 **Doctor medic, secundar sanatate publica si management**
INSSC si UMF Carol Davila, Bucuresti, Romania
Pregatire tehnica in specialitatea sanatate publica si management cu efectuareade module teoretice si activitate practica integrata (LUMNY)
Tipul sau sectorul de activitate : servicii de sanatate: specializare (secundariat oct 1991)
- 01/1990 - 02/1992 **Doctor medic, intern**
Spitalul universitar clinic de nefrologie Carol, Davila, Calea Grivitei 2-4, sect1, Bucuresti
Stagiar/intern cu efectuarea stagiului clinic obligatoriu, inclusiv cu contra-vizite si garzi.
Rotatii: boli infectioase (Matei Bals pentru incheierea a 6luni), medicina interna, nefologie (I si II)
Tipul sau sectorul de activitate : medicina clinica
- 12/1989 - 01/1990 **Doctor medic, intern**
Spitalul judetean Prahova, Ploiesti, Sectia de Boli Infectioase
Stagiar/ intern cu efectuarea stagiului clinic obligatoriu prin repartitie nationala
Tipul sau sectorul de activitate : medicina clinica

EDUCAȚIE ȘI FORMARE

- Curs : 1997-2001 **PhD Public Health & Policy, DLSHTM** i
Absolvent: 2014
Atestat RO: 2017
University of London si London School of Hygiene and Tropical Medicine, Londra, UK
Epidemiologie, statistica, cercetare operationala (modelare), stiinte sociale: metodologie si metode, economie sanitara cu frecventa la zi; am promovat la nivel de doctorand in 1998.
Abilitati: epidemiologie si statistica avansata in orice domeniu de cercetare al sanatatii publice si medicinei clinice. Organizare si evaluare de servicii. Economie sanitara (nivel avansat). Evaluare de tehnologii. Evaluare de programe. Management de proiect. Abilitati dezvoltate pe toate ariile de sanatate publica.
- 02/1992 - 02/1995 **Specialist sanatate publica si management**
UMF Carol Davila si INSSC, Bucuresti, Romania
Demografie, biostatistica, epidemiologie, promovarea sanatatii si prevenirea bolilor si alte domenii conform curriculum de pregatire (frecventa la zi)
- 10/1992 - 10/1993 **Master of Arts in Health Services Studies**
University of Leeds si Nuffield Institute for Health, Leeds, UK
Epidemiologie, management in servicii de sanatate, politica sociala a Marii Britanii, sisteme de sanatate comparate (frecventa la zi). Pregatire in cadrul specialitatii.
- 09/1983 - 09/1989 **Doctor Medic**
Institutul de Medicina si Farmacie "Carol Davila", Bucuresti, Romania
Absolvent al Facultatii de Medicina Generala Adulti, cu frecventa la zi

COMPETENTE PERSONALE

Limba(i) maternă(e) Româna (bilingv: engleza)

Scrieți denumirea certificatului. Scrieți nivelul, dacă îl cunoașteți.					

Niveluri: A1/2: Utilizator elementar - B1/2: Utilizator independent - C1/2: Utilizator experimentat
Cadrul european comun de referință pentru limbi străine

Competențe de comunicare

Abilitati acumulate in cadrul cursurilor efectuate pentru completarea specialitatii si a pregatirii doctorale. Cadru didactic: University of London

Competențe organizaționale/manageriale

Planificator si organizare munca in echipa (proiecte, steering committees)

Leader (Principal Investigator studii: global (ISAAC Phase Three Isle of Man), European School Survey Project for Alcohol and other Drugs (ESPAD Isle of Man));

Colaborari profesionale, cu organizare, executare tehnica, delegare si rol administrativ in arii: academic (cursuri, seminarii), servicii de sanatate, sociale, justitie; proiecte inter-sectoriale (sanatate-justitie); programe (cercetare, screening);

Organizator si coordonator: cursuri si seminarii la nivel MSc, educatie continua (CPD) pentru colegi si in plan personal; implicare in toate fazele: planificare, implementare, monitorizare si evaluare; tutore in invatamant la distanta (DL) cu monitorizare, evaluare si examinare; organizator si coordonator de echipe profesionale, inclusiv personal angajat temporar.

Management de proiect: am condus echipe dedicate si dimensionate la marimea proiectului, inclusiv cu responsabilitate bugetara.

Coordonarea implementarii de proiecte internationale si europene in limitele bugetului alocat, la timp, conform obiectivelor trasate, cu lucru in echipe mixte, si organizatii externe. In functie de proiect acestea au fost: scoli, organizatii din sisteme: educational, de sanatate, servicii sociale, afaceri interne (politie, probatiune, penitenciar).

Rol analitic si guvernanta a informatiei utilizate in politici guvernamentale prin coordonare externa a colectarii datelor, verificare, prelucrare date (inclusiv pe trend si diferente in trend), in colaborare cu agentii guvernamentale si non-guvernamentale.

Lucru in echipa (leader sau membru) si mentor cu delegare de atributii catre membri echipei de cercetare pentru realizarea activitatilor care conduc la indeplinirea obiectivelor; finisher (activitati pe deadlines: Gantt Charts);

**Competențe
dobândite la locul de
muncă**

Capabilitati de consultanta: orice domeniu de sanatate publica cu accent pe evaluare de rezultate si performanta (Romania, UK, UE, Regiune Europeana OMS);

Cercetare epidemiologica in sanatate publica: metode cantitative si calitative cu evaluare si dezvoltare de metodologie (anchete epidemiologice transversale; de prevalenta);

Formulare protocol de cercetare: completare si prezentare la comitete de etica;

Revizuire, monitorizare, audit la nivel de planuri operationale (pe proceduri standard), strategice, proiecte si programe;

Abordare secundara si empirica in cercetare prin practica la toate nivelurile inclusiv cu colectare de date in conformitate cu protocol prestabilit (anchete epidemiologice) sau protocol original (planificare si executie a unei anchete a starii de sanatate intr-o populatie dela esantionaj la raport final);

Decizii prin consens: in contractele europene ca evaluator de sanatate publica;

Stabilire de prioritati: experienta practica in aplicare de metode relevante (metoda Hanlon);

Analiza si interpretare de date si informatie (rezultate din analize epidemiologice complexe) dintr-o varietate de surse (studii conduse sau in derulare, literatura publicata, proiecte, baze de date primare si secundare);

Realizarea de briefing tehnic cu adaptare pentru audiente (studenti, masteranzi, decidenti din sistem; raspunsuri informative la intrebari parlamentare)

Peer review si evaluare critica a literaturii de specialitate inclusiv pe domenii clinice (de exemplu nefrologie); evaluare de tehnologii. In prezent evaluator inregistrat cu NIHR Dissemination Centre, England;

Elaborare de termeni de referinta pentru proiecte cu experienta de peste 20 ani.

**Competențe
informatice**

Cunoaștere a instrumentelor Microsoft Office™
Utilizare avansata de: SPSS, Stata; familiarizare cu R;

Alte competențe

Ingrijiri sociale de sanatate, cercetare clinica

Permis de conducere

Categoria B
